FOGGIA

**OGGETTO:** Cancellazione d'ufficio di domicili digitali revocati / invalidi.

**Comunicazione di avvio del procedimento ex art. 8 della legge 241/90.**

Spett.le Impresa,

Le recenti disposizioni legislative contenute nell'art.37 del D.L. 76 del 16/07/2020, convertito con modifiche dalla legge di conversione n.120 del 11/09/2020, hanno confermato e rafforzato l'obbligo per le imprese individuali e societarie di iscrivere il proprio indirizzo di posta elettronica certificata (casella PEC, dal legislatore ridenominata come "domicilio digitale") nel Registro delle Imprese. Tale domicilio, rivestendo carattere di ufficialità con i terzi, e confluendo nella piattaforma INI-PEC, acquisisce valenza di primaria modalità di collegamento delle pubbliche amministrazioni con le imprese coinvolte in comunicazioni e notificazioni relative ai rispettivi procedimenti amministrativi. Ragion per cui, il domicilio digitale di una impresa non può essere irregolare, scaduto, inattivo o non valido.

La norma succitata, modificando e novellando l'art.16 del D.L. 185/2008 e l'art.5 del D.L. 179/2012, riferendosi rispettivamente all'obbligo dei domicili digitali delle società e delle imprese individuali, consente di procedere con la cancellazione d'ufficio dell'indirizzo PEC qualora automatici riscontri diano esito negativo.

Alla luce di quanto su premesso, si deve evidenziare che il domicilio digitale (casella PEC) riconducibile a codesta spettabile impresa, pur essendo ancora iscritto al Registro Imprese, non risulta conforme alle disposizioni di legge, in quanto revocato dal gestore oppure invalido.

E', pertanto, imprescindibile la riattivazione del domicilio digitale già a suo tempo comunicato, ovvero che se ne invii telematicamente uno nuovo, univoco, attivo, valido e regolare al Registro delle Imprese di Foggia **entro 30 giorni** dal termine di pubblicazione del presente invito all'Albo *on-line* della Camera di Commercio di Foggia.

Decorso inutilmente il termine sopra indicato, il Conservatore del Registro delle Imprese, con proprio provvedimento, disporrà l'iscrizione della cancellazione del domicilio digitale irregolare (casella PEC) presente negli archivi del Registro Imprese, con le conseguenze previste dall'art.16 comma 6 ter del D.L. n.185/2008 e dall'art.5 comma 2 del D.L. n.179/2012.

La presente comunicazione viene notificata ai sensi dell'art.8 c.3 della Legge n.241/1990 mediante pubblicazione all'Albo *on-line* della Camera di Commercio di Foggia **per 30 giorni consecutivi**, insieme all'elenco delle imprese destinatarie della procedura (Allegato A). Ai fini del rafforzamento del momento della notifica, ne vien data contestualmente informativa nella *homepage* del sito camerale e con avviso all'*Ordine dei Dottori Commercialisti e degli Esperti Contabili di Foggia*, all'*Ordine dei Consulenti del lavoro di Foggia* e alle *associazioni di categoria*.

La medesima comunicazione di avvio del procedimento, con l'allegato elenco delle imprese interessate, è consultabile anche nella pagina del sito camerale al link
